AHCCCS - Art therapy (also
known as arts therapy) is a
creative method of expression
used as a therapeutic technique.
Art therapy originated in the

fields of art and psychotherapy
and may vary in definition.. Art
therapy may focus on the creative
art-making process itself, as
therapy, or on the analysis of
expression gained through an
exchange of patient and therapist
interaction. Thu, 15 Mar 2018

Visual impairment, also known as
vision impairment or vision loss,
is a decreased ability to see to a
degree that causes problems not
fixable by usual means, such as
glasses. Some also include those
who have a decreased ability to
see because they do not have
access to glasses or contact
lenses. Visual impairment is often
defined as a best corrected visual
acuity of worse than either 20/40
or ... Mon, 05 Feb 2018 04:01:00
